**Report of the Executive Committee
for 1939.**

The Executive Committee have pleasure in submitting their one hundred and ninety fifth Annual Report and Statement of Accounts.

WORK OF THE YEAR.

In-Patients. The number of in-patients admitted during the year was 2,765 as compared with 2,741 during 1938. The average number of patients resident was 153.05, and the average stay of each was 20.24 days. The largest number of patients resident on any one day was 175.

Of the patients treated during the year 2,291 were discharged as cured or relieved, and 159 died. Forty-two patients died within twenty-four hours of admission.

The number of patients awaiting admission on the 31st December, 1939, was 72.

Out-Patients. The number of patients attending for consultation and treatment, and the number of attendances were as follows :—

<i>New Out-Patients.</i>		<i>Adults.</i>	<i>Children</i>

Worcester Royal Infirmary Contributory Scheme. It is with great pleasure that the Executive Committee report an increase of £407 19s. 11d. in the income from the Contributory Scheme, the totals being :—

		<i>£ s. d.</i>
County Section	...	6,578 19 6
City Section per Hospital Saturday Fund	...	6,964 8 1
		<hr/> £13,543 7 7

In addition a sum of £2,424 2s. 6d. was received from other Contributory Schemes towards the cost of maintenance of their members in the Infirmary.

Payments to other Hospitals and Contributory Schemes amounted to £534 5s. 7d. as compared with £564 0s. 10d. for 1938.

It is the earnest hope of the Executive Committee that the yield from the Contributory Scheme may still further increase. They feel that there still must be many who are eligible for membership but have not joined, and an appeal is made to any such members of the public to join the Scheme. Particularly are details of the Scheme commended to the attention of newcomers to the districts served by the Infirmary.

As no doubt was to be expected there was a falling off in some items of income during the last four months of the year. Annual Subscriptions were £120 7s. 0d. lower, Congregational Collections and Hospital Sunday Collections fell by £25 6s. 5d., and a severe loss was that of nearly £1,000 0s. 0d., the amount normally received from the Gala, which had to be abandoned.

In view of these setbacks it is most encouraging to the members of the Executive Committee to note that in spite of the difficulties the Ordinary Income was slightly higher in 1939 than in 1938, and they hope that encouraged by their effort in 1939 the public in the area served by the Infirmary will see to it that in a time of particular need the Infirmary may have the support it requires.

Expenditure. The ordinary expenditure of the year totalled £30,606 18s. 11d. The increases are due to the fact that heavier stocks are now being carried, and particularly in the case of foodstuffs to increased prices. Generally however, the ordinary expenditure is lower than that for 1938. Included in the expenditure is a figure of £1,006 7s. 7d., which represents the cost of work carried out since the outbreak of war to improve the services of the Infirmary as indicated elsewhere in this report, and for its protection.

At the time of the last report it was stated that the Committee, feeling concerned with the growing cost of the Engineering Services to the Infirmary, had appointed a Committee to consider these services and their cost of running. The deliberations of the Committee had reached a stage when the advice of a Consulting Engineer was sought and a report awaited. Owing to the outbreak of war and the need for steps to be taken to improve temporarily the existing services, this matter is in abeyance.

Cost of Treatment.

	£	s.	d.
The average cost of each In-patient has been	9	13	4
The average cost of each In-patient per day ...	9	7	
The average cost of each In-patient per week	3	7	1
The average cost per occupied bed	174	5	11
The average cost of each Out-patient attendance		1	7

In reviewing the work done and the finances of the Infirmary for the past twelve months, reference must be made to the outbreak of war and its effect on the work of the Infirmary. During the first few weeks of the war, the number of patients

receiving treatment as In-patients was very low. Acting on the instructions of the Ministry of Health all patients fit to be moved were sent home or to other institutions on the 1st September, 1939, and on the same day decants from Birmingham were admitted. From that date admissions were restricted to urgent cases only, and the emergency beds supplied by the Ministry of Health were erected and prepared for use. When these restrictions were relaxed by the Ministry, the Executive Committee took the opportunity of using to the full the available beds and the additional staff employed with the result that more patients were admitted during 1939 than in 1938, and the Waiting List was reduced as a result of the years working from 95 to 72.

On the financial side the Ministry of Health made interim payments for the period 3rd September to 23rd December, based upon the number of beds available for casualties including service sick, evacuated children, etc. As will be seen in the accounts a sum of £4,470 0s. 0d. was paid by the Ministry during this period. It must be emphasised that these payments have been interim payments made to cover the expenses incurred in the maintenance of decanted patients and others chargeable to the Ministry, and towards the cost of the necessary steps in improving the services in the Infirmary consequent upon the increase in its bed complement to 298.

It has been the policy of the Executive Committee to improve the services of the Infirmary, and to this end they have during the last few months of the year given instructions for the carrying out of the following alterations :—

1. The renewal of the kitchen equipment in order that the kitchen could cope with the meals for the additional patients and staff.
2. The provision of a new dining room for Nurses.
3. The installation of a new Lift for theatre work.
4. The conversion of rooms and departments into Emergency Wards.
5. The improvement of the steam and domestic hot water supply by the introduction of a new boiler with a larger output for steaming purposes and alterations to the hot water system. In this latter respect the Executive Committee have continued their practice of having available alternative types of fuel, and accordingly have arranged for the new boiler to use solid fuel.

These and many other smaller alterations which either have been or are being carried out have the approval of the Ministry of Health, and in the cases of the larger items of expenditure will rank for grant from the Ministry.

Extension Fund. The amount received into this Fund for the year was as follows :—

<i>Donations.</i>	Mr. J. Banks	285	14	4	
	Mr. W. H. Webb	5	0	0	
Rent of Special Treatment Dept.	124	13	4	
	Total	£415	7	8

and the Executive Committee extend their sincere thanks to the Donors. The overdraft on the Fund at 31st December, 1939, was £8,775 1s. 6d.

Children's Ward Fund. The Executive Committee acknowledge with very grateful thanks the following donations to the Children's Ward Fund :—

				£589	17	11

The Balance of the Fund at the 31st December, 1939, was £805 10s. 8d.

Endowment Fund. There was no addition to the Endowment Fund for the year, and the fund still stands at £42,368 16s. 11d.

The Future. From time to time the Executive Committee have laid before the Governors their future plans for the extension of the services of the Infirmary. Of necessity no similar statement can be made in this Report. The Infirmary under war conditions now houses 298 beds and all the ancillary services have been or will be expanded to meet the needs of the larger hospital. Whether it will be possible further to consider the extension of the Infirmary during the war it is impossible to say, but the Executive Committee can assure the Governors that mindful of their responsibilities to the normal civil sick, they will watch the position and carry out such alterations and improvements as may be necessary.

Obituary. The Executive Committee regret to report the deaths of two old friends of the Infirmary, Dr. G. W. Crowe, and Alderman Sir H. A. Leicester, both of whom had long associations with the Infirmary.

Dr. G. W. Crowe was appointed Assistant Physician in 1881, and Physician in 1884. He was an active member of the Honorary Staff until 1919 when he was appointed a Consulting Physician. He was also a Life Member of the Executive Committee. The Executive Committee mourn the passing of a skilled Physician and wise administrator who had devoted the larger part of his life to the Infirmary.

Alderman Sir H. A. Leicester became a member of the Executive Committee in 1908, and remained an active member until his death in 1939. By his willingness to help, his kindly interest and his wise counsel he rendered valuable service to the Infirmary.

Honorary Medical Staff. During the year under review the Executive Committee appointed an additional member of the Honorary Medical Staff. It was considered advisable to open a Dermatological Department, and in July last Dr. A. M. G. Campbell was appointed to organise this department. Whilst difficulties have ensued to hinder the work of the Department the Executive Committee are pleased to report that it has proved to be a useful addition to the facilities of the Infirmary and hope that upon return to normal times it will be developed to the benefit of the patients who attend.

There were no other changes in the personnel of the Honorary Medical Staff to whom the sincere thanks of the members of the Executive Committee is extended for their valuable work during the past year.

Dr. H. S. O'Conor, the Assistant Surgeon, was called up for active service on the outbreak of war.

Iron Lung. The Executive Committee gratefully acknowledge the generous gift by Viscount Nuffield of an Iron Lung.

Thanks. The Executive Committee acknowledge the devotion to duty of all Lay, Medical, Nursing, and Domestic Staff, whose work is deserving of the highest praise.

The Executive Committee again tender grateful thanks to the following who in various ways have rendered valuable help to the Infirmary :—

The Annual Subscribers and Donors for their generous gifts during the year.

The Committee of the Hospital Saturday Fund and the County Contributory Scheme Secretaries.

To the Hospital Sunday Fund Committee.

The Gala Committee and their helpers for organising Flag Day. The Executive Committee regret the unavoidable abandonment of the gala.

The Editor and the Proprietors of the Local Press for their kindness in giving publicity to the work of the Infirmary, and in bringing the needs of the Infirmary before the Public.

All Donors of Eggs, Pounds, Silver Paper, and Stamps.

The Members of the Ladies' Guild and the Womens' Auxiliary Association for the work and gifts of linen and for the help afforded in many ways.

Depot Holders, and Helpers on Alexandra Rose Day, and Infirmary Flag Day.

To the Donors and Volunteers of the Blood Transfusion Rota. Their work is of inestimable value, and the Executive Committee is glad of an opportunity of recording its appreciation of all who give their service in this way.

The Cathedral Voluntary Choir.

The Ladies who so successfully organise the Patient's Library.

The Members of the Monthly Sewing Party.

The V.A.D., Nos. 1, 3, and 24, for the efficient Ambulance Service.

The British Red Cross Society and the St. John's Nursing Association for services given in the wards.

To all who helped in filling sandbags, darkened windows, etc., on the outbreak of war.

The expressions of gratitude received from patients, their relatives and friends for services received at the Infirmary encourage the Executive Committee once more to make an appeal to those who have the work of Voluntary Hospital at heart and stress the urgent need for all to contribute as generously as possible by subscriptions and donations to maintain the present services and to allow them to function with their customary efficiency and success.

K. M. D. ATKINS,
Chairman.

H. J. CLOUT,
Superintendent-Secretary.

YOU can help the Hospital still further by giving consideration to this matter . . .

EACH SUBSCRIBER who completes the attached agreement and returns it to THE SECRETARY, THE ROYAL INFIRMARY, WORCESTER, will INCREASE THE HOSPITAL'S INCOME BY INCOME-TAX PAID ON THE AMOUNT OF THE SUBSCRIPTION, AT NO EXTRA PERSONAL COST.

The agreement is terminable by death so that an estate will not be liable for subsequent payments.

A subscriber who is assessable to Surtax will be entitled to deduct an amount as shown in column III below from the total income shown in the Surtax return.

The Hospital will pay the necessary stamp duty on the Deed of Covenant and will send each year to the subscriber the required Certificate of Deduction of Income-tax.

The following table shows the benefit accruing to the Hospital from seven year agreements, so long as the Income-tax remains at 7/6 in the £.

I. Amount of Subscription to be paid by Subscriber.	II. Amount recovered by Hos- pital from Inland Revenue.	III. Amount Credited to Sub- scriber in Subscription List.

BEQUESTS
TO
The Worcester Royal Infirmary.

Proper Form of Bequest to the Worcester Royal Infirmary.

I give and bequeath to the Treasurer or Treasurers for the time being of the Charitable Institution, now commonly called the Worcester Royal Infirmary, the sum of £ , to be applied, at the discretion of the Governors of such Institution, for carrying on the charitable purposes thereof. And I direct the said sum of £ to be paid exclusively out of my personal Estate.

OR,

I give and bequeath to the Treasurer or Treasurers for the time being of the Charitable Institution, now commonly called the Worcester Royal Infirmary, the sum of £ , to be invested in the Public Funds, at the discretion of the Governors of such Institution, and the interest thereof to be from time to time applied, under the direction of the said Governors, towards carrying on the charitable purposes of such Institution. And I direct the said sum of £ , to be paid exclusively out of my Personal Estate.

THE CHAPEL

Built in 1849, services are held here each week and on special occasions for the benefit of the patients able to attend and the staff. Mademoiselle Jenny Lind, the famous singer, who then lived at Malvern, held a concert at the College Hall to enable the Infirmary to add this charming place of worship.

ENDOWMENT OF BEDS AND COTS

THREE is no more suitable way of commemorating Friends than by endowing a Bed or Cot and at the same time this is the greatest benefit that can be conferred upon the Hospital.

**A donation or legacy of £1,000
will endow a Bed and £500 is
required for a Cot.**

BEDS AND COTS ALREADY ENDOWED IN PERPETUITY:

“Mrs. Hannah Finnie”	-	-	Bed
“W. Holland”	-	-	Bed
“Milly”	-	-	Cot
“George Edwin Hyde”	-	-	Bed
“Lt. A. Whitmore Isaac”	-	-	Bed
“Jennie Prosser”	-	-	Cot
“George & Constance Ethel Shrewsbury Smith”	-	-	Bed
“Miss E. C. M. Loughton”	-	-	Bed
“Howell Davies”	-	-	Cot

**Firms, Business Houses, Colleges, Schools and
Societies are earnestly requested to consider en-
dowing a Bed or Cot annually—£50 to endow a Bed
and £25 for a Cot.**

ALREADY ENDOWED ANNUALLY
 “Prudential” Cots
 “Worcester Windshields Ltd.” Cot

The Governors of the Worcester Royal Infirmary are grateful to the following business houses who have placed their advertisements in this report, as these pay very largely for its production. The advertisements are therefore cordially brought to your special attention.

DRUGS from the GAS WORKS

Many drugs, antiseptics and fine chemicals used in medicine are extracted from the coal tar produced at the gasworks. Gas serves medicine too by providing hospitals with a labour-saving fuel for cooking, water heating, central heating or radiant heating; while the clinical gas lamp is of value in remedial treatment for certain ailments.

This is how gas serves the hospital. Its services to the nation go further still, for in millions of homes gas simplifies work and increases comfort; and at the gasworks is produced a long list of valuable products preserved in the process of coal carbonisation.
